

IMPORTANT INFORMATION

Abstract

Abstract does not exceed 200 words. Abstract format is attached to this call for paper.

Full paper

Full paper does not exceed 10 pages. Full paper format is also attached to this call for paper.

After reviewed by scientists, the paper written in English will be published in the Vietnamese Journal of Science and Technology before the opening of the conference and the paper written in Vietnamese will be published in the Vietnam national University HCM City's Journal of Science and Technology Development after closing of the conference (for a fee).

Location

Ho Chi Minh City University of Technology – Vietnam National University Ho Chi Minh City, 268 Ly Thuong Kiet Street, District 10, Ho Chi Minh City, Vietnam.

Language

Vietnamese or English.

Conference fees

Participants pay their own travel, meals and accommodation.

Schedule

- 19/06/2015: Deadline for abstract submission.
- 01/07/2015: Acceptance of abstracts.
- 01/08/2015: Submission deadline for full papers reviewed to publish in the Vietnamese Journal of Science and Technology.
- 01/10/2015: Deadline for other full paper submission.

Document files should be sent by email. In addition two hard copies of full paper are also required.

14th CONFERENCE ON SCIENCE AND TECHNOLOGY
Faculty of Applied Science

As a part of 14th Conference on Science and Technology, the Symposium on Applied Science will be held at the Ho Chi Minh City University of Technology in 30th of October 2015. This Symposium is aimed to gather domestic and foreign engineers, experts, researchers and industrialists working in Applied Science field. It will cover aspects of semiconductor optoacupuncture and optotherapy, simulation Technology in industry, engineering physics, computational physics, engineering mechanics, theory and practice of applied mathematics, theory of politics.

This series of symposium is organized in cooperation with the Vietnamese Journal of Science and Technology –VJoST (ISSN 0866 708X) and Journal of Science and Technology Development – Vietnam National University-HCM City (ISSN 1859-0128).

Topics of Conference

- Semiconductor optoacupuncture and optotherapy
- Simulation Technology and Patent in industry
- Engineering physics
- Computational physics
- Engineering mechanics
- Applied mathematics
